EcoMask™ anaesthetic face masks

The greener, safer anaesthetic face mask
EcoMask is a range of a phthalate-free, non-PVC, single use anatomical anaesthetic face masks which are manufactured from polypropylene and thermoplastic elastomer. EcoMask is a lightweight and clearer version of the traditional, reusable rubber face mask, and is available in a range of seven sizes with distinct colour-coding for easy selection.

The greener, safer choice
EcoMask is manufactured from polypropylene and thermoplastic elastomer, contains no PVC and is phthalate-free.
22F
